## NOTE OF THE EDITOR

J.-P. Ramis asked me to succeed to him as Editor-in-Chief of the *Annales de la Faculté des Sciences de Toulouse*, starting January 1st, 2003. I would like to thank him for his work during the past years, as well as all the members of the preceding Editorial Board.

A new Editorial Committee has been formed, and I would like to welcome the new members and to thank them for accepting to join the Board. Due to recent delays in publication, the new Editorial Board already appears on the front page of this first issue of 2002. We expect to resorb these delays within the next few months.
